BANK MISR

Mr. Hisham Ahmed Okasha
Chief Executive Officer

Banque Misr (BM) was established in 1920 by the pioneer economist and financial expert Mohamed Talaat Harb Pasha, who spearheaded the concept of investing in national savings and directing them toward economic and social development. Thus, Banque Misr was established as the first wholly Egyptian-owned bank.

Banque Misr has funded many businesses spanning across multiple domestic sectors, such as: textiles, insurance, transportation, aviation, entertainment, and filmmaking. Currently, BM owns shares in many companies across different fields, ranging from finance, tourism, housing, agriculture and food, and communication and information technology.

Renowned for excellence, the bank has received recognition from leading global institutions for its leadership across various business sectors.

Banque Misr's role is visible in all economic fields due to its geographic outreach. The bank has more than 24,000 employees, serving a large clients base in Egypt, with a total paid-up capital amounting to EGP 110 billion.

The bank has more than 880 electronically integrated local branches located nationwide to provide the best and most accessible services to customers. Banque Misr also values its regional and international presence, which includes its five branches in the United Arab Emirates and one in France. In addition, the bank's international presence includes subsidiaries in Lebanon and Germany, as well as representative offices in China, Russia, South Korea, Kenya and Italy and a global network of correspondents.

A Legacy of National Pride and Progress

For over a century, Banque Misr has stood as a symbol of economic strength, cultural identity, and unwavering commitment to future generations

- As a pioneer in national projects, structured finance, and acquisitions, the bank has been a trusted partner in driving large-scale developments and supporting diverse sectors of the economy
- Banque Misr serves a wide client base with an innovative portfolio of products and services, including a full suite of Shariah-compliant solutions offered through its Islamic banking network, "Kenana"
- Renowned for excellence, the bank has received recognition from leading global institutions for its leadership across various business sectors
- With a strong regional and international presence, Banque Misr operates one of the largest banking branch networks in Egypt and the Middle East
- Banque Misr is a pioneer in sustainability, consistently upholding the highest standards of responsible banking

National Bank of Egypt

Mr. Mohamed El-Etreby
Chief Executive Officer

Established in June 1898, National Bank of Egypt is the first and largest commercial bank in Egypt and an extensive network of 690 branches, ATM, and offices nationwide. NBE maintains a vital international presence through its London, Khartoum subsidiaries, its branches in New York, Shanghai and Juba, and representative offices in Johannesburg, Dubai and Addis Ababa.

The bank continues to play a pivotal economic role by supporting national reforms and financing various sectors. Fully committed to digital transformation and financial inclusion, NBE provides its growing customers with outstanding and innovative banking services and products to continuously enhance their trust in the bank, ensure its leadership in the market and support economic growth.

NBE is one of the largest contributors to social responsibility among Egyptian banks, playing a seminal role in improving the quality of life of Egyptian citizens.

The bank vigorously focuses on supporting healthcare, education, slums development, combating poverty, alleviating the distress of imprisoned indebted persons, and empowering disabled persons, as well as promoting culture and maintaining heritage.

BYBLOS BANK

Established in 1950, Byblos Bank is one of Lebanon's leading banking and financial services institutions, and has a presence in the Middle East, Europe, Asia, and Africa.

Byblos Bank continues to prioritize stability, continuity, and high standards of corporate governance. It has managed to maintain an adequate level of foreign currency liquidity in the face of the systemic crisis that has prevailed in Lebanon since the end of 2019. Also, it has taken proper provisions, as its provisions against non-performing loans reached almost %76 and its total provisions against doubtful and bad loans stood at %85.5 at the end of 2024. In addition, it has taken provisions against its exposure to sovereign assets, as required by the regulatory authorities.

Byblos Bank also continues to maintain steady financial results in the face of adverse conditions. For instance, the Bank's Basel III capital adequacy ratio improved from %7.75 at the end of 2023 to nearly %8.9 as at December 2024 ,31, and its Tier One capital adequacy ratio increased from %6.46 at ed2023- to %7.5 at the end of 2024.

Byblos Bank continues to bolster the mechanisms by which it protects itself against the risks associated with money laundering and the financing of terrorism, as well as to ensure its compliance with internationally administered sanction programs. Given the heightened emphasis on sanctions in recent years, Byblos Bank's strong corporate governance and sound management have proved to be its most valuable assets in rapidly adapting to increasingly rigorous banking standards.

IDB

Mr. Zead Khalaf Abed Kareem
Chairman

International Development Bank Bank has adopted adequate and conservative credit and investment policies, we managed to achieve significant financial results, whereby it maintained advanced rankings in terms of profitability and capital adequacy indicators.

Day after day, IDB evolves throughout the journey it has embarked on in late 2011 in line with its 2021

strategy that was set in 2017. The bank aims to become a pioneer on a regional level and mirror the true image of the Iraqi banking sector and its ability to provide all-inclusive banking services to Iraqi citizens and companies.

Today, Iraq is one of the most promising countries in the region due to its various natural and human resources, in addition to its special location that endows it with paramount importance for investors.

Accordingly, IDB is committed to developing the needed infrastructure in terms of geographical distribution of its branches and representative offices, attracting skilled bankers, acquiring the most advanced banking solutions and building abroad network of correspondent banks. In return,

IDB aims to effectively contribute to the economic development, and help Iraq recuperate its usual place in the Arab and international scenes. Further, the bank's commitment to developing a rigid risk management and compliance system is fundamental as it enhances the regulatory environment and addresses various types of risks.

The magnitude of challenges the region is witnessing due to rocky circumstances is no secret. Yet, our bank promises all its customers to carry on with the development and diversification of the banking products and services, by simulating the experiences of leading banks and innovating new electronic banking services that are tailored to the Iraqi economic requirements. This is due to our team's tremendous efforts in providing the best high-quality services and e-payment channels, in addition to making the best returns for shareholders in order for IDB to always be "a choice of excellence".
